The Track Plus Advantage

2. Fast Delivery - Guaranteed On-Time

Because our express freight system, using a large fleet of our own drivers, we **GUARANTEE ON-TIME DELIVERY**. We deliver within 45 minutes of the quoted delivery time, or the rental that day is **FREE!**

The Track Plus Advantage

3. Phone Service - Guaranteed Satisfaction

Do you appreciate speaking to someone on the phone who understands the products you need? If so, you will enjoy and feel confident hiring from Track Plus. All our customer service staff have been trained in the use of our products and many have had experience working in the industry using our products. We also use the latest European Technology in hire software, this is why we GUARANTEE a NO HASSLE experience from time of order, through delivery, product use, pick-up and to invoicing.

The Track Plus Advantage

4. Competitive Up front Prices - Guaranteed Savings \$\$\$

As a member of the Jaybro Group, we import and manufacture most of our own products in bulk. This is why we GUARANTEE SAVINGS on all your equipment hire.

The Track Plus Advantage

5. Flexibility - Guaranteed Satisfaction

At Track Plus, we understand the ever changing nature of a construction site, that's why we offer a flexible hire agreement. You are not bound to any minimum hire periods or quantities, that's why we call it 'NO HASSLE GUARANTEE'.

Organisation Structure

The Environment

Preserving the Environment & Wellbeing

Track Plus is committed to the safety of its employees, Contractors & visitors and this is set out in our documented OH&S policies and procedures.

We are also committed to a Quality Assurance System. This enables us to ensure we provide consistent quality with both the product and service levels we provide to our customers. This includes a documented Quality & Environmental System to ensure our objectives in these areas are met.

Our goal is to be a good corporate citizen, who considers for the best interests of the community at all times, in appreciation of their support.
